I am pretty confident they are all copies. If I come across any originals I'll send them along. Thanks.

I am fine with you destroying them unless there are any originals, in which case I would ask that you return those documents to me. Thanks.

Hi Ex. 6 PP / Ex. 7(C) I am finally getting around to handling the final disposition of the documents I received in the FTCH/DTE matter. I need to know your client's preference for the disposition: I can destroy the documents or return them to you or another representative.

Thanks Ex. 6 PP / Ex. 7(C)
